

Mercedes-Benz

Product information sheet for GLE SUV from September 2015

Boot tub, flat

black, polypropylene [GLE]

Item number

A1668140100

RRP

£ 105.50*

Description

For everyday transport. There is a lot that needs to be transported in this day and age of mobility: The easy-clean boot tub is also suitable for liquids. The shape of the tub, with its slightly raised edge, is optimally tailored to the load area. Very robust - made from impact-resistant, break-proof polypropylene. Odour-neutral. The honeycomb structure prevents the load from sliding around and makes it easier to secure the optionally available stowage crate in place. Protected base. One more reason for Mercedes-Benz.
